

Child Care WAGE\$[®] Florida Project 2009-2010 Child Care Center Evaluation Responses

Total served: 619 • Total number of responses: 225

The staff at Child Care WAGE\$[®] was helpful and pleasant.

I was able to contact the WAGE\$[®] staff when help was needed.

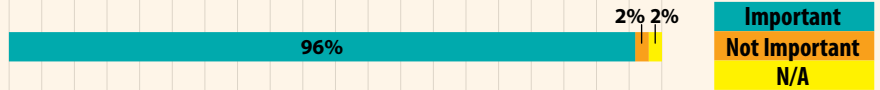

My overall attitude about the program was:

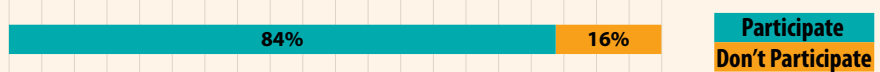

My overall evaluation of the program was:

Importance of having a WAGE\$ counselor.

WAGE\$ programs participating in a Quality Rating Improvement System (QRIS):

Directors reported that WAGE\$ has benefited their child care program by:

Increasing morale which creates a more positive child-teacher interaction.

Lowering turnover which increases stability for children.

Increasing staff education which leads to higher quality care for children.

Recruiting more qualified staff which leads to higher quality care for children.

Increasing staff education which leads to more families in my program.

No benefit.

Do you know that scholarship assistance through the T.E.A.C.H. Early Childhood[®] Scholarship Program may be available to help your staff attain additional courses?
